From Route 5, heading west

After passing the Morasha Interchange, take the first exit, which is on the right after 1.5 km. On the exit ramp, stay to the left, following signs to Bnei Braq. At the stoplight, turn left toward Bnei Braq and Ramat Gan. After 1.5 km, the road forks; stay to the left. About 1 km after the fork, you will reach Compugen's building; it is the tall building on your left with the SuperPharm sign on top. There is an underground parking lot adjacent to the building.

From the Ayalon, heading north

Get off the Ayalon at Rokach Boulevard and turn right off the exit. Head east; pass under the triangular bridge, then turn right just past the next bridge, onto Sheetril Street. Turn left at the first stoplight onto Pinchas Rosen Street.

From the Ayalon, heading south

Get off the Ayalon at KKL Boulevard (Keren Kayemet L'Israel) and turn left off the exit. Head east; turn right on Pinchas Rosen Street. The Compugen building will be on your left after half a block.
