## **Compugen to Present at Jefferies 2015 Global Healthcare Conference in New York**

Tel Aviv, Israel - May 28, 2015 – Compugen Ltd. (NASDAQ: [CGEN](#)) today announced that Dr. Anat Cohen-Dayag, President and Chief Executive Officer of Compugen, will present a corporate overview and update at the Jefferies 2015 Global Healthcare Conference in New York on Thursday, June 4 at 10:00 a.m. ET.

### **About Compugen**

Compugen is a leading predictive drug discovery company focused on monoclonal antibodies and therapeutic proteins to address important unmet needs in the fields of oncology and immunology. The Company utilizes a broad and continuously growing integrated infrastructure of proprietary scientific understandings and predictive platforms, algorithms, machine learning systems and other computational biology capabilities for the *in silico* (by computer) prediction and selection of novel drug target candidates, which are then advanced in its Pipeline Program. The discovery and development of monoclonal antibody therapeutic candidates against selected Compugen-discovered novel target candidates is performed by Compugen's wholly-owned US subsidiary located in South San Francisco. The Company's business model includes collaborations covering the further development and commercialization of product candidates at various stages from its Pipeline Program and various forms of research and discovery agreements, in both cases providing Compugen with potential milestone payments and royalties on product sales or other forms of revenue sharing.
