([NASDAQ: CGEN](https://www.nasdaq.com/markets/stocks/quotes/CGEN)), a leading predictive drug discovery company, today announced that Ari Krashin, Chief Financial Officer of Compugen, will present a corporate overview and update at the Oppenheimer 26th Annual Healthcare Conference in New York, on Tuesday, December 8, 2015.

About Compugen

Compugen is a leading drug discovery company utilizing its broadly applicable predictive discovery infrastructure to identify novel drug targets and develop first-in-class biologics. The Company's current pipeline primary focus is on immune checkpoint target candidates discovered by the Company, potentially providing the basis for a next wave of therapeutics for cancer immunotherapy. Compugen's business model is based on selectively entering into collaborations for its novel targets and drug product candidates at various stages of research and development under revenue-sharing agreements. The Company is headquartered in Tel Aviv, Israel, with R&D facilities in Tel Aviv and South San Francisco. At the US facilities, monoclonal antibody therapeutic candidates are discovered and developed against the Company's novel target candidates.
